

# Stackable Certificate Programs, Pharmaceutical Sciences

---

---

Stackable graduate certificates are available to degree-seeking and non-degree-seeking graduate students. Some stackable certificates may be awarded following completion of program requirements, while others require simultaneous awarding of the graduate certificate and a graduate degree.

See the [Stackable Certificates section](#) of this catalog for additional information and policies related to stackable certificates.

The graduate program for this catalog section offers the following stackable certificate programs. To see a full list of graduate certificates offered at the University, please see the [Graduate Study](#) section of the *Graduate Catalog*.

## Pharmaceutical Sciences: Innovating in Health

The program requires completion of nine semester credit hours of coursework and is available to degree-seeking and non-degree-seeking students.
