

Tuition Tables

House Bill 29, passed by the 83rd Texas Legislature, requires public institutions of higher education to offer a fixed tuition price plan to incoming freshman and transfer students. The University of Texas at Austin has met the requirements of the law by establishing Longhorn Fixed Tuition which is offered to eligible undergraduate students. Tuition rates for the 2023-2024 academic year, including Longhorn Fixed Tuition rates for entering undergraduates, are published below. Undergraduates who enrolled in the Longhorn Fixed Tuition plan prior to this catalog's academic year can view their [cohort rates online](#).

Non-Formula-Funded Program Fees: Fall 2023- Summer 2024

The University offers non-formula-funded (Option III) graduate programs to meet market demand which cannot be accommodated by formula-funded programs. Option III programs enable the University to fulfill demonstrated higher education and workforce needs as well as to serve a greater number of students than state resources support. Click the following link for additional details: [The University of Texas at Austin Non-Formula-Funded Program Fees](#).

The fees published in this section assume continuous attendance by students. International students may be subject to additional fees, such as those associated with full-time enrollment required for a visa. When

required, the deposit is included in the first semester's costs. Refer to the "Additional Fees" section of this catalog for details.

² Calculation of per semester tuition costs is based on an example program schedule; costs and/or payment schedule may vary depending on number of semester credit hours (SCHs), courses taken per semester, and/or semester in which student begins program. Refer to the program for further information.

³ Based on minimum total semester credit hours required to complete the degree and reflects an expected on-time graduate status. Refer to the program for further information.

⁴ This rate does not include a \$700 per semester surcharge for distance learning students.

⁵ Based on the minimum total semester credit hours required to complete the degree. Refer to the program for further information.

⁶ Program fees are adjusted each academic year based on University changes in Option III program fees. Total program fees are an approximation and may differ slightly from one academic year to the next.

⁷ This program is not accepting students.

F First semester

L Last semester

Notes:

¹ The first semester the program is offered is in spring 2024.
