

Stackable Certificate Programs, Communication Studies

Stackable graduate certificates are available to degree-seeking and non-degree-seeking graduate students. Some stackable certificates may be awarded following completion of program requirements, while others require simultaneous awarding of the graduate certificate and a graduate degree.

See the [Stackable Certificates section](#) of this catalog for additional information and policies related to stackable certificates.

The graduate program for this catalog section offers the following stackable certificate programs. To see a full list of graduate certificates offered at the University, please see the [Graduate Study](#) section of the *Graduate Catalog*.

Communication Studies: Strategic Communication

The Communication Studies: Strategic Communication stackable graduate certificate is designed for post-baccalaureate, non-degree seeking students who seek to bolster their communication skills and increase their marketability. The program requires completion of five courses (15 semester credit hours of coursework), all offered in a face-to-face format on the UT Austin campus. The stackable graduate certificate will be offered in accordance with University policies and procedures that govern non-formula-funded (Option III) academic programs.
