Admission Requirements

Applicants may apply directly to the PhD and Master of Arts (Option III) degree programs. The Master of Science in Economics degree is only available to students who are admitted to the PhD program in Economics. Admission to the PhD program requires significant prior training in economics and mathematics. Admission to the Master of Arts (Option III) program requires sufficient prior training in mathematics, while undergraduate coursework in economics is strongly encouraged. Note that applicants admitted to the Master of Arts (Option III) program must submit a nonrefundable enrollment deposit to secure enrollment in the program.
