

# Geography

---

## Major

Thirty semester hours of geography, at least 18 of which must be upper-division, including

- a. An 18 hour core requirement consisting of:
  - a. Geography 301C and one other course in physical geography
  - b. Geography 305 and one other course in human geography
  - c. Two geography courses in methods/techniques
- b. At least nine semester hours in one of the following tracks:
  - a. Geographic information science
  - b. Cultural geography
  - c. Sustainability
  - d. General geography (designed for students who do not wish to specialize at the undergraduate level)
  - e. Urban geography
  - f. Earth science
  - g. Landscape ecology and biogeography

Courses used to fulfill the core geography requirement may not be counted toward the completion of a track. Lists of courses that fulfill the core geography requirement and of courses in each track are available in the Department of Geography and the Environment.
