

Registration Periods

Freshman and transfer students entering the University in the fall semester are encouraged to attend an orientation session, during which they will be advised and will register for classes. Information about orientation for new students, including graduate and international students, is available from the New Student Services [website](#) and in the Student Services Building (SSB) Suite 3.410.

Continuing and readmitted students may register during each semester (fall, spring and summer). Registration periods for the fall and summer semesters usually begin in April; those for the spring semester, in late October or early November. Detailed information about registration is given in the [Course Schedule](#).
