

Tuition Tables

House Bill 29, passed by the 83rd Texas Legislature, requires public institutions of higher education to offer a fixed tuition price plan to incoming freshman and transfer students. The University of Texas at Austin has met the requirements of the law by establishing Longhorn Fixed Tuition which is offered to eligible undergraduate students. Tuition rates for the 2024-2025 academic year, including Longhorn Fixed Tuition rates for entering undergraduates, are published below. Undergraduates who enrolled in the Longhorn Fixed Tuition plan prior to this catalog's academic year can view their [cohort rates online](#).

Non-Funded Program Fee Estimates: Fall 2024- Summer 2025

The University offers non-formula-funded (Option III) graduate programs to meet market demand which cannot be accommodated by formula-funded programs. Option III programs enable the University to fulfill demonstrated higher education and workforce needs as well as to serve a greater number of students than state resources support. Click the following link for additional details: [UT Austin Partially Funded and Non-Funded Program Fees with VA-eligible expenses](#).

The fees published in this section assume continuous attendance by students. International students may be subject to additional fees, such

as those associated with full-time enrollment required for a visa. When required, the deposit is included in the first semester's costs. Refer to the "Additional Fees" section of this catalog for details.

Estimate of per semester program fees is based on an example program schedule which may vary. Refer to the [program](#) for further information.

Partially Funded Program Fee Estimates: Fall 2024- Summer 2025

The University offers partially formula-funded (Option II) graduate programs to meet market demand which cannot be accommodated by fully formula-funded programs. Option II programs enable the University to fulfill demonstrated higher education and workforce needs as well as to serve a greater number of students than state resources support. Click the following link for additional details: [UT Austin Partially Funded and Non-Funded Program Fees with VA-eligible expenses](#).

The fees published in this section assume continuous attendance by students. International students may be subject to additional fees, such as those associated with full-time enrollment required for a visa. When required, the deposit is included in the first semester's costs. Refer to the "Additional Fees" section of this catalog for details.

Estimate of per semester program fees is based on an example program schedule which may vary. Refer to the [program](#) for further information.
