

Admission and Registration

Admission and readmission of undergraduate students to the University is the responsibility of the director of admissions. Applicants who are undecided about their major or area of academic interest should consult the Admission and Registration sections in the [College of Liberal Arts](#), the [College of Natural Sciences](#), and the [Moody College of Communication](#) chapters of this catalog.

Detailed information about the admission process is provided in the [General Information Catalog](#), which also includes information about registration, adding and dropping courses, transferring from one division of the University to another, and the academic calendar. The [Course Schedule](#), published before registration each semester, includes registration instructions, advising locations, and the times, places, and instructors of classes. The *Course Schedule* and *General Information Catalog* are available through the registrar's [website](#).
