

Interior Design

Master of Interior Design

Areas of Study

The Master of Interior Design degree program offers two degree options.

The Master of Interior Design (first professional) degree option may qualify graduates to become licensed or registered as an interior designer. Interested students are encouraged to confirm [requirements](#) for the state in which they hope to practice and confirm NCIDQ eligibility [requirements](#).

The Master of Interior Design (post-professional) degree option offers students advanced studies, theory, and research for those holding a prior professional degree in interior design or architecture.

Admission Requirements

Upon admission to the program, students must pay a [nonrefundable enrollment deposit](#) to indicate that they accept the offer of admission. The deposit is applied to the payment of tuition when the student enrolls.

Master of Interior Design (first professional). This [degree program](#) is open to qualified applicants who hold baccalaureate degrees in any discipline without a prior professional degree in interior design or architecture.

Master of Interior Design (post-professional). This [degree program](#) is open to qualified applicants with a prior professional baccalaureate degree in interior design, interior architecture, or architecture.
