EADA reports. The Equity in Athletics Disclosure Act (EADA), an amendment to the 1994 Improving America's Schools Act, requires certain coeducational institutions of higher education to prepare annually and make available a report on participation rates, financial support, and other information on men's and women's intercollegiate athletic programs.

Sport Clubs

A variety of sports and recreation programs are administered by Recreational Sports through the Sport Club program. Where applicable, the regulations for sport clubs are consistent with the requirements established by appropriate national sports organizations. In each sport club, the University reserves the right to adopt additional regulations.
