There are in the Institutional Rules on Student Services and Activities (known as the Institutional Rules) a number of references to portions of the Rules and Regulations of the Board of Regents of The University of Texas System (known as the Regents' Rules and Regulations). These references are included because (1) all of the Regents' Rules and Regulations have full force and effect as concerns The University of Texas at Austin; (2) certain aspects of student services and activities are treated only in the Regents' Rules and Regulations; and (3) certain portions of the Institutional Rules have since their enactment been superseded or amended by the Regents' Rules and Regulations.

The Regents' Rules and Regulations (http://www.utsystem.edu/board-of-regents/rules) are published by the board.
