

Texas Career Engagement

Undergraduate Students

Explore university-wide access to career exploration, career development, and employer engagement opportunities and resources in the [Programs and Centers](#) section of the Undergraduate College chapter of the *Undergraduate Catalog*.

Graduate Students, Professional Students, and Postdoctoral Scholars

Texas Career Engagement's [Advanced Degree Career and Professional Development Team](#) provides advanced degree expertise to empower graduate students and postdoctoral scholars to pursue professional fulfillment in industry, academia, nonprofit, business and government.

Texas Career Engagement administers select internship and career-related courses for graduate students including:

- A zero-credit, tuition-free internship course, is available to all graduate students participating in internships and other career experiences. For more information please see [Texas Career Engagement website](#).
- Two zero-credit, tuition-free career research courses are also available for graduate students and postdocs. For more information please see the [Texas Career Engagement website](#).

Graduate Archer Fellowship Program

The Archer Fellowship Program is a credit-bearing academic program offered by UT Austin's academic colleges and schools and administered by Texas Career Engagement that provides students a unique opportunity to live, work and learn in our nation's capital during the summer semester. The Archer Fellowship Program is a joint effort of the UT System Office of Federal Relations, the [Archer Center](#), and the nine participating UT System academic campuses. For more information, visit the [Graduate Archer Fellowship Program](#).
