

Student Parking

Students who drive or park a vehicle on campus must purchase a permit from Parking and Transportation Services (PTS). To park within the campus boundaries, a proper permit must be displayed as required. Purchase of a surface lot permit (A, C, M, N) does not assure a parking space in a specific lot. Purchase of a garage permit (R or S) generally assures an unassigned parking space in the garage in which it is valid. If you need to use a car, there is no free parking on campus aside from signed 30-minute loading zones. Everywhere else requires either a permit or payment of a fee to park.

Policies, fees, and regulations are given below. For the most recent information, students should visit the PTS [website](http://parking.utexas.edu) or email parking@utexas.edu.

Students are eligible for the following types of parking permits:

- Class C (surface student) parking permits are available to all students enrolled at the University. The fee is \$179 for the year. This permit allows parking in C and Longhorn lots.
- Class C+ (surface student plus night garage access) parking permits are available to all students enrolled at the University. The fee is \$269 per year. This permit allows parking in C and Longhorn lots. It also allows parking in university garages, within the limits given for night garage access (N+) permits below.
- Class D (students with disabilities) parking permits are available to qualifying students with disabilities. The fee is \$179 for the year. This permit requires display of a valid state-issued ADA license plate or placard to be valid. It allows parking in D, A, and C spaces as well as Longhorn Lots. It also allows parking in garage ADA SPACES.
- Class D+ (special accommodation disabilities) parking permits are available to qualifying students with disabilities. The fee is \$358 for the year. This permit requires display of a valid state-issued ADA license plate or placard to be valid. It allows parking in the same areas as a Class D permit. Additionally, it allows parking in D+/F Special Accommodation spaces throughout campus.
- Class A (surface faculty/staff) parking permits are available to university graduate students who are also employed by the University for at least 20 hours a week. The student's employment must be verified by a signed copy of the appointment or reappointment form or a letter from the dean, director, or department chair. The fee is \$204 a year. This permit allows parking in A parking areas, in Longhorn lots, and in C lots after 2:00 p.m.
- Class M (motorcycle/moped/motor scooter) parking permits are available to any university student. The fee is \$108 a year, but there is no charge for the first Class M permit with the purchase of another permit except an R, N, or N+ permit. The Class M permit allows parking in M parking areas; motorcycles, mopeds, and motor scooters may not be parked in automobile parking areas between 7:30 a.m. and 3:30 p.m. Monday through Friday.
- Class R (garage resident student) parking permits are available to residents of university-owned housing located on the main campus. The fee is \$238, \$449, \$542 or \$571 for a semester, or \$358, \$809, \$976, or \$1027 for two semesters, depending on the garage. Students may purchase a permit for the summer semester. The fee is \$72, \$161 or \$210 depending on the garage. The Class R permit allows parking in R areas in the designated garage purchased; it also allows parking in Longhorn lots.
- Class S (garage commuting student) parking permits are available to University students who live off campus. The fee is \$238 or \$409 per semester, \$72 or \$161 for the summer semester, \$358 or \$857 for 12 months, depending on the garage. Class S permits allow parking

in the garage designated on the permit and in Longhorn lots. For overnight storage, the annual fee is \$197, fall/spring is \$115. There is no overnight parking at MAG.

- Class N (night surface access) parking permits are available to anyone affiliated with the university. The fee is \$54 for the year. Class N permits allow parking Monday through Thursday from 5:45 p.m. to 7:30 a.m. and from Friday at 5:45 p.m. until Monday at 7:30 a.m. in otherwise unrestricted spaces and in spaces that require any UT permit.
- Class N+ (night garage access) parking permits are available to anyone affiliated with the university. The fee is \$90 for the year. Class N+ permits allow weeknight and weekend surface parking within the limits described for the Class N permit. In addition, they allow parking when space is available in any University garage except the Conference Center, Health Center, Nueces, and Rowling Hall Garages from 5:00 p.m. to 4:00 a.m., Monday through Thursday, and from 5:00 pm Friday to 4:00 am Monday.

Class C, C+, D, D+, M, N, N+, and A permits purchased in the fall semester are valid through August 18. Permits are prorated daily with the refunds for returned permits available until the last month in which the permit is valid. Additional fees may apply.

Parking may be restricted in any garage or surface lot for special events.

The following table lists the charges for violation of the Parking & Traffic Regulations. Parking and Transportation Services reserves the right to refer any violator to the Office of the Dean of Students or the appropriate academic dean, chair, or director.

Violation	Penalty
Unauthorized parking in an "AT ALL TIMES" space.	\$75
Improper method of parking.	\$35
Disabled vehicle.**	\$75
Unauthorized special event parking.	\$75
Inhabiting a vehicle of any kind on University property without authorization.	\$75
Parking overtime at a meter.	\$20
