

Educational Psychology, Applied Data Analytics (MSEDP)

This concentration is designed to provide professionals with skills in real-world data analysis applications to keep up with the increasingly complex types of data that are collected to improve educational and health outcomes. All required courses are offered online and in accordance with university policies that govern non-formula-funded (Option III) degree programs.

Graduate Handbook

Graduate handbook information is updated and maintained by each program. Graduate handbooks are available within each program's office and [online](#). Please contact the program with concerns or questions.

Total Hours Required: 30
