## Major Requirements

120 semester credit hours is required. All Bachelor of Science in Kinesiology and Health majors are exposed to all aspects of the fields of kinesiology and health. At least 36 hours must be upper-division coursework.

The curriculum has the following components:

- University general education requirements, including the Core Curriculum and Skills and Experience Flags
- degree requirements
- major requirements
- curricular specialization
- free electives

More information, including a list of [specializations](#), [tracks](#), and [minors](#) is available on the College of Education's [Degrees and Programs](#) page.

Majors must complete the following:
