

Geography

Major

Thirty semester hours of geography, at least 18 of which must be upper-division, including

- a. An 18 hour core requirement consisting of:
 - a. Geography 301C and one other course in physical geography
 - b. Geography 305 and one other course in human geography
 - c. Two geography courses in methods/techniques
- b. At least nine semester hours in one of the following tracks:
 - a. Geographic information science
 - b. Cultural geography
 - c. Sustainability
 - d. General geography (designed for students who do not wish to specialize at the undergraduate level)
 - e. Urban geography
 - f. Earth science
 - g. Landscape ecology and biogeography

Courses used to fulfill the core geography requirement may not be counted toward the completion of a track. Lists of courses that fulfill the core geography requirement and of courses in each track are available in the Department of Geography and the Environment.
