

Accounting for Business Economics Program Minor

This minor allows economics majors to take a set of accounting courses and a finance course at the McCombs School of Business for completion of a minor in accounting. Students take upper-division accounting and finance courses to explore how accounting systems utilize economic concepts and how accounting systems solve economic problems; to strengthen the quantitative and analytical skills they acquire as economics majors; and to acquire knowledge and skills in business and accounting.

Admission

To participate in the minor, students must apply and be admitted to the accounting concentration of the Business Economics Option Program (BEOP) through the Department of Economics. To be eligible, a student must:

- be a declared economics major;
- have a cumulative University GPA of at least 3.00;
- have an economics GPA of at least 3.00 (based on economics coursework taken at The University of Texas at Austin); and
- have earned a grade of at least C- in ECO 329.

Students must contact the Department of Economics to apply, and for all questions about the Business Economics Option Program.
