Additional Requirements and Policies

Unless otherwise stated, students must complete at least:

- 15 upper-division degree hours
- 24 upper-division degree hours taken in residence at the University
- 36 additional degree hours taken in residence at the University.

Credit may be earned via credit by examination, extension, or transferred hours from another institution (requires dean's approval).

Major and minor required hours may also be used to fulfill degree requirements unless expressly prohibited.

A course in one degree area may not also be used to fulfill the requirements of another degree area unless specified otherwise.

Mathematics courses at the college algebra level may not count toward elective hours.

Majors

A major consists of 24 to 45 hours, with at least 15 upper-division hours unless the requirements of the major state otherwise.

Students must earn at least:

- 18 major hours taken in residence at the University.
- 6 upper-division major hours taken in residence at the University
- a 2.00 grade point average for in-residence major hours taken at the University unless a higher minimum scholastic requirement is specified for the major.

Minors

Students must get permission from their College of Liberal Arts academic advisor to pursue more than one transcript-recognized minor or certificate per major. The academic advisor will approve or deny the request after considering the student's long-term educational and professional goals and the student's ability to graduate within 4 years of entering the University.

Students should consult the department offering the course before planning to use it to fulfill the minor requirement.

Hours used to fulfill the requirements for a minor must be taken on the letter-grade basis.

See [University Minor and Certificate policies here](#).
