

International Business (BBA)

Technological advances have connected the world's countries, societies, economies, and individuals in ways that were unimaginable not long ago. What happens outside U.S. borders is of paramount concern to American businesses and citizens. This major provides students with detailed knowledge about the global aspects of the U.S economy and specific, functional skills useful to a career in the global economy.

Total Hours Required: 120

Plan of Study

The Plan of Study is a suggested four-year course sequence to support academic planning and serves as a helpful guide. Currently enrolled students should meet with their academic advisor to tailor their course selections and timelines to their individual goals and circumstances.

Additional Requirements and Policies

Grade Point Average (GPA)

A grade point average of at least 2.00 in business courses is required. For more information about grade requirements and restrictions on repetition of courses, please see [school's Requirements and Policy](#) section.

In-residence Requirement

At least 24 semester hours in business must be completed in residence on the letter-grade basis at the University, of which at least 12 semester hours must be in upper-division coursework in the student's major. For additional in residence requirements, see the [University's minimum General Requirements for graduation](#).

Enrollment Requirement

Degree candidates must be enrolled in the school in the semester in which the degree is awarded.
